ABOUT TUSHUN

www.tushun-fitting.cn

Tongling Tushun Electric Power Fitting Co., Ltd. is located in Tongling-- the copper city of China, which is at the middle and lower reaches of the Yangtze River. The golden waterway Yangtze River flowing through the city. With two Yangtze River Bridges, two high-speed rail lines, three highways, national highways and Railways extending in all directions, 15 km away from the Jiuhuashan International Airport, our city has a very convenient traffic.

Our company is a manufacturer and exporter specialized in copper, aluminum & bimetallic electric power fittings' research and development. Our main products include all kinds of cable lugs, connectors, overhead power line fittings, ABC fittings and other cable accessories. Our products widely used in electric power industry, metallurgy, chemical industry, mining industry, railways and machinery fields. Our products are exported to Europe, Australia, Africa, the Middle East, Latin America and southeast Asia, more than 50 countries and regions, is highly praised by our customers, and have enjoyed a good reputation from our customers for a long time.

OUR TEAM:

We have 150 employees, including a professional R&D team with a relatively completed quality guarantying system and product identifying criteria, to offer customers with design and development based on their different needs of the production . In recent years, with the continuous improvement of product quality ,our company has trained a professional inspection team, increase the first-class equipment for production and inspection from the products design and mass production. From raw material purchasing to packing and finished-product , we strictly control each process, our product quality ranks first in the industry.

We are willing to establish the business relationship with the customers from around the world to help and develop each other on the base of high flexibility,good quality,reasonable price and short delivery time.

OUR VALUES:

Customer satisfaction is our eternal pursuit, "keep pace with the market , win-win with customers" is our business philosophy.

Welcome to cooperation with us!Hope we can make contributions to the development of electric power industry with our joint effort!

TUSHUN Advantage:

	<p>Professional Manufacturer</p>		
	<p>Advanced Equipment</p>		<p>Experienced R&D Team</p>
<p>High Quality, Best Service</p>			<p>Custom Design are acceptable</p>
			
<p>Strong Technical Support</p>			<p>One Choice, All Solved!</p>

Advanced Equipment

公司拥有先进的生产设备能满足不同客户的需求，“以先进的科学技术创新，以严格的质量管理保证，以一流的产品开拓、以用户满意的服务”的质量方针。整个生产过程受ISO9001国际质量管理体系控制做到每个零部件从材质选择、加工生产都受到严格检验，使产品的质量精益求精。

R&D Team

CONTENTS

Bi-Metal Lugs & Connectors(Links)

銅鋁端子和連接管

	CAS Bi-Metal Lugs (CAS系列銅鋁接線端子)	001
	CAU Bi-Metal Lugs (CAU系列銅鋁接線端子)	002
	DTL Bi-Metal Lugs (DTL系列銅鋁接線端子)	003

	GL Aluminium Connectors (GL系列鋁連接管)	035
	GLG Aluminium Connectors (GLG系列鋁連接管)	036

Line Fiting(Copper Aluminium) &ABC Fitting

綫路金具及ABC附件

	CAPG-type Copper-Aluminium PG Clamps (CAPG型銅鋁并溝綫夾)	037
	APG-type Aluminium PG Clamps (APG型鋁并溝綫夾)	037
	JBL(Y)、JBT(Y)、JBTL(Y) Series Parallel-Groove Connectors and Insulating Cover (JBL(Y)、JBT(Y)、JBTL(Y)異型并溝綫夾及絕緣外殼)	038
	Aluminium Connector Press Type O (O型鋁并溝綫夾)	039
	Aluminium Connector Press Type H (H型鋁并溝綫夾)	039

	C-clamps (C型綫夾)	040
	B/C Split Bolted Connectors (B/C 銅螺栓綫夾)	041
	WCJC Copper Lugs with Clamps (WCJC引進銅接綫夾)	041
	WCJB Copper Lugs with Clamps (WCJB引進梅花型紫銅接綫夾)	042
	Copper Power Shunt (MST 銅母綫伸縮節(全銅))	042
	Copper Braid (銅編織帶)	043
	Earth Rod, Stay Rod (接地棒、拉綫棒)	045
	Copper Bounded Earth Rod (銅包鋼接地棒)	045
	Tension Clamps (耐張綫夾)	046
	Suspension Clamps (懸垂綫夾)	049
	Pre-Insulated Sleeve (預絕緣鋁連接管)	050
	Pre-Insulated Bi-metal Lugs (預絕緣銅鋁接綫端子)	050
	Insulator Piercing Connectors (絕緣穿刺綫夾)	051
	Achoring Clamps (ABC耐張綫夾)	054
	ABC Suspension Clamps (ABC懸垂綫夾)	057
	Fixing Nail	058
